

# Tony Team Can Crusher Insert

Perfect for Crushing Small Industrial Containers from 5 to 20 Litres.

## Can Crusher insert for cans and tins:

With this Can Insert your Compact 75 Baler will also press your small cans and tins from 5 to 20 Litres.

When the Easy to Lift Can Insert is inserted into the Compact 75 Baler, it raises the can to allow the press head to compact with full stroke.

Great for Garages, Caterers, Canteens, Painters and decorators or anyone that needs to dispose of small cans, tins, plastic containers, steel and fibre drums frequently.
