

# Less waste for a better environment

## 240Lt Bin Compactor

The Tony Team 240Lt Bin Compactor is simple and safe to use and represents excellent value for money. It provides a cost-effective means of reducing the volume of waste and helps to keep waste areas clean and tidy.

The 240Lt Bin Compactor is suitable for all types of waste and mixed recycling. Simply compact into separate colour coded bins. Ideal for use in restaurants, garage forecourts, retail outlets, offices and small hotels to economically reduce the volume of waste.

### Key Features

- Suitable for positioning where space is limited
- For small to medium volumes of waste
- Bin fully enclosed for safe compaction

### Optional Extras

- Insert to compact waste into bag
